Two Sisters Talk

Hello! Summer has been quite a whirl! We had a great time at Convention in Grapevine, Texas. We flew in a couple days early with Diana Cammarata and stayed with a friend of hers. We had a great couple days of shopping. I personally had a blast buying boots. They had some great stores for that! Kids Camp went really well and we had such a good time as always, as so did the kids. We are excited to welcome Charlene Turlington to our teacher team! She just recently has been certified by Jenny Haskins to teach her classes. Fabric Warehouse is on facebook! Join our network: Fabric Warehouse Fanatics. We personally want to thank everyone for their love and support. This has been a difficult summer and we appreciate all the prayers for us after our Grandpa passed away recently. Thank you for everything!

Love, Melody & Holly

ConKerr Cancer - A Case For Smiles

In 2002, Ryan Kerr was diagnosed with a rare childhood cancer. Our founder, Cindy Kerr, began making pillowcases to brighten up his hospital room and to put a smile on his face. He loved it and she began making pillowcases for other children with cancer at Children's Hospital of Philadelphia.

In 2008, Ryan lost his very brave battle with cancer but the pillowcase project - now a not-for-profit called ConKerr Cancer - has grown in amazing ways. In just two years, Cindy and thousands of volunteers have provided over 90,000 pillowcases to sick children in hospitals across North America and in South Africa. School groups, sewing circles, church groups and fabric stores have all pitched in and are making pillowcases for the kids.

www.conkerrcancer.org In just over two years, ConKerr Cancer has ...

Delivered over 75,000 cheerful pillowcases to sick children in hospitals across the country

Established 83 chapters (so far!) serving children in 96 hospitals and pediatric hospices across the United States, Canada and South Africa. Recruited thousands of volunteers - young and old - to sew and donate pillowcases. Recognized nationally by Martha Stewart Omni Media, Talbots, Bank of America, SVP Worldwide (Singer-Viking-Pfaff), Macy's and St. Christopher's Foundation for Children. We hope you will join us - we guarantee it will put a smile on your face too!

Join us on Saturday, November 7, 10am-4pm at

The Fabric Warehouse to make pillowcases for the children! Donations of fabric would be greatly appreciated
